

INTRODUCTION TO AMERICAN SIGN LANGUAGE FOR TEENS AND ADULTS

(VIRTUAL)

ages 13 and up

Thursdays
March 11 - April 29
from 6 to 7:00 pm

The Greensburg Hempfield Area Library is pleased to offer this 8 week program in partnership with the Center for Hearing & Deaf Services, Inc. Our instructor, local Deaf college student Hannah Ahearn, will teach us the basics of how to communicate using American Sign Language (ASL) and Deaf culture. Since we will be building on skills learned, please only register if you are able to commit to attending at least 7 of the 8 sessions. Please include your email when you register so that the staff can email you a link to participate in the program via Zoom. Families will be notified about when to pick up free instructional materials and a book for this program.

Please check the Westmoreland Library Network (www.wlnonline.org) for online registration beginning in February.
